INTERNATIONAL BIBLE CAMP

Helping Every Believer to Engage in World Wide Missions

To Interested Persons,

The International Bible Camp is a ministry devoted to short-term missions efforts. Our vision is to reach teenaged kids in the third world with the gospel of the Lord Jesus Christ. We endeavor to do this by hosting effective, and evangelistic teen camps in third world countries.

In order to accomplish this, we seek to engage college and career aged people from "sending" churches who are passionate and active in short-term missions efforts. These volunteers will be trained to step in as camp counselors who will participate in structured activities such as small group teaching and preaching, witnessing, games, singing, and much more-all while working alongside veteran missionaries and local interpreters for the duration of the camp event. The International Bible Camp provides the necessary experience and infrastructure needed to facilitate short term missions efforts in the third world setting to be effective and fruitful both for the kids as well as for the short term missions volunteers.

If you are interested in taking an active part in Bible believing missions efforts, your participation will not only make these camps possible, but will stand to greatly strengthen your personal walk with the Lord as well as your overall understanding of world wide missions.

IBC July 2018 Schedule / Info

Thank you for your interest in this upcoming Evangelistic Teen Camp happening from July 22-31, 2018 in Malawi Africa

This short-term Missions event is a coordinated effort between full-time missionary David Robinson as local contact in Malawi, and Matt Crozier of Charlette TN, as USA Coordinator. In addition, there are several other Christians from various churches across the USA who are participating. Our goal is to minister the Gospel to Malawian teenaged kids by using the platform of an Evangelistic Teen Camp. This effort has no special funding, budget, or resources to pull from. It is a good old fashioned "pay-your-own-way" volunteer effort. Individuals Christians are offering their time and resources to make it possible.

We are asking those who cannot physically go themselves to consider covering the cost of one or more Malawian Teens to participate in this camp. It costs us the equivalent of twenty usd per teenager to have them participate and this includes their food. These kids have no money nor do their parents so we charge them nothing to participate. If you could help that would be great as we are trying to have 100 teens at this event.

You can give through Paypal by sending money designating to "Malawian Teen" If you don't have access to Paypal, you can arrange to designate cash or check through the pastor of one of the churches involved. The carrier of this letter will be able to direct you to the church/pastor should you wish to help this effort.

Thank you.

Schedule:

**Day 1: Welcome to Malawi
(Sunday, July 22)**

You'll fly into the Kamuzu International Airport in Lilongwe, the Capitol of Malawi Africa. There your Transport Coordinator will welcome your group and introduce you to other teams that have also flown in for this effort. He will then plan the best seating arrangements to shuttle you up to Mzuzu. Because we are situated four hours north of the airport you'll have plenty of time to meet and get to know some of the other volunteers. Expect an evening arrival to the Lusangazi Mission Station where a delicious home cooked meal, a hot shower, and a clean bed will await you.

**Day 2: Rest, and Orientation
(Monday, July 23)**

Monday morning after breakfast we will have a general orientation for the week to come, take a tour around the immediate premises, and have a time of sharing the general ministries of the Lusangazi Mission Station ministries.

**Days 3-4 Crash Course in Camp Counseling
(Tuesday, Wednesday, July 24, 25)**

We will begin with breakfast at 7:00 am and then head over to the camping site to welcome the Malawian Counselors Assistant as they come in for training by 7:45. We will then have a basic practical training as to this camp's purpose, games, preaching schedules, small group interactions, and personal work times. These two days will be our time to assess and match up our volunteer counselors with their prospective National Malawian translators. Once counselors and assistants are assigned as teams, they will become "co-workers" for the gospel over the next few days!

**Days 5-7 Evangelistic Teen Camp
(Thursday, Friday, Saturday, July 26-28)**

We will begin with Breakfast at 7:00am with the aim of being in action by 7:45. Every day offers you the unique and special opportunity to MINISTER the gospel to people who you would never otherwise have opportunity to speak to. This opportunity comes with a special responsibility to you as a Christian. This responsibility is at its core not only serious but also scriptural. It is the awesome responsibility of being prepared to share, explain, defend, and communicate, Gods chosen method of the salvation of lost souls, the Gospel of the Lord Jesus Christ, This offers you the chance to personally reflect on your own preparation as a Christian witness as you

grow in your relationship with the Lord. These opportunities will of course be surrounded by the activities of each day, the FUN and the singing, the preaching as well as scoring points for your team to WIN!!! It is then the focus of each individual counselor to be aware of the spiritual condition of your group of teens. Every day we will have lunch from 12pm — 1pm, which will be followed by more preaching and activities. We will end each day with an evangelistic preaching around 4:30pm.

Day 8 Sunday “go-to-meet’n time” (July 29)

After breakfast together, you’ll attend a local church service, followed by lunch at a local restaurant. In the afternoon there will be some local carvers/artists who will display their crafts for you to purchase if you like. I would suggest bringing along some extra money for these really neat crafts.

Day 9 Monday Day at the Lake (July 30)

Believe it or not the Teen Camp will likely wear you out! You will be ready for a day at Lake Malawi to rest and recuperate. We will head out in the morning, arriving at the lake around lunch. Everyone will have a chance to play some volley ball, toss a Frisbee, OR just relax in the shade and drink a cold Coke! After lunch we will head back home for an evening of testimonies and singing.

Day 10 Tuesday return to Lilongwe (July 31)

We will travel back to the capitol Tuesday mid morning to ensure our readiness for the flight out the next morning on the 31st. In the capitol we will find some dinner and then make final preparations and packing arrangements for the next days flight.
